
Fwd: Nuclear Decommission Authority - Mr Lawrie Haynes

The Commissioner's concern stems from the aspiration of the Governance Code to make appointments following fair and open competition. We understand that Mr Haynes was identified in a competition in which similar skills and experience were sought, however as that competition was not OCPA regulated, the reserve list provision cannot be used in this instance.

The Commissioner has indicated that the appointment of Mr Haynes should be for a period of up to twelve months, he would agree to that using an exemption to the Governance Code. During this time you are preparing to run an open competition, and this role should be included in this. Mr Haynes would of course be welcome to apply, and his experience of the NDA Board would be relevant in the application process.

Kind regards,
Phil
