
RESTRICTED: Epsom & St Helier University Hospitals NHS Trust - NED 3 month extension

9 September 2019 at 11:49

Good morning Leslie,

Thank you for this.

The Commissioner is content with the proposed extension, but notes the need for earlier succession planning and the management of the end of terms. I would be grateful if you could keep us informed on the progress of the competition; when it is launched and when a substantive appointee is likely to be in place.

Kind regards,

Phil

Phil Hodges

Office of the Commissioner for Public Appointments
