
Re: Appointment of Interim Vice Chair to Cardiff and Vale UHB

Hi Eva,

The Commissioner would be supportive of the interim appointment of Michael Imperato as vice-Chair on the Cardiff and Vale University Health Board. The length of Mr Imperato's interim term should mirror that of the current interim Chair, Charles Janczewski, and end when a substantive Chair is appointed.

The Commissioner would encourage a competition to identify a substantive Chair to be launched as soon as possible, so that an individual is ready to take up the post in a timely fashion. Please could I ask that we are updated once a timetable has been established.

Kind regards,
Phil Hodges
